

Welcome to The Riverly Club, we look forward to seeing you and hope you will enjoy everything your membership offers.

Membership Information

This pack outlines what is on offer at the club, opening hours and guidelines.

There is a busy event schedule which will be available both on our website and here at the club. You will also be kept up to date with planned classes and events by the preferred method of contact you gave us in your application form.

Annual membership of The Riverly Club at Bridge House will provide the following benefits:

- Daily access to the club and its facilities
- Ability to attend any and all events scheduled to take place (subject to availability - members will be required to reserve their place at special events).

Opening Hours

The Riverly Club will be open during the following hours:

Café: 7 days a week 10am – 6pm

Spa: 6 days a week 10am – 4pm

Please note that on some occasions, the club may have to close for either a private hire or unforeseen circumstances. You will be informed as far in advance as possible.

Signing In

When you attend the club, we ask you to sign in at Reception. Should you have guests with you, you will also be required to sign them in.

Guest Policy

We would be delighted for you to bring friends or your family to the club, either for coffee or lunch or to any of our events. The following rules do apply however:

On standard operating days, you may sign in one guest at any time. If you would like to bring any additional guests, this must be agreed with the Club Services Manager in advance to ensure that access for other members to the facilities is not compromised.

A small charge will apply for any guests who attend an event and we ask that should they attend more than three events over the period of a year, they become members themselves.

The number of guests you can bring to special events will be judged according to the popularity of each particular event but you should be able to bring at least one guest in most cases.

Spa

Appointments can be made at Reception for spa treatments with our highly trained therapists. Charges will apply and please note that the therapists work on a part time basis.

Events

If you would like to attend one of the events being held, please inform Reception to reserve your place. In some instances, there may be a small charge but this will be made clear in the event calendar.

Club Hire

As a member, should you wish to hire any part or all of the club and its facilities for a private party, birthday party or perhaps a small private screening of a favourite film, we would be delighted to accommodate you, subject to availability. Our catering team and club manager will liaise closely with you to ensure your party, event or meeting is exactly what you wish. Charges will apply if catering is required.

Other

It is our intention to develop a variety of groups to enable you, as a member, to enjoy particular interests or activities. Any suggestions you have for future events or groups can be made to the Club Services Team.

Membership Fees

Membership fees will be based on a calendar year from the date of joining.

Single	£80
Joint membership*	£140

Whilst your membership fee will cover most activities and events, a modest fee will be charged in some instances. This will be made very clear at the time of booking.

*Joint membership available to any two individuals based at the same address. The guest policy applies per couple rather than per individual.
